All, the briefing this afternoon went well. We have been given the go ahead to move forward with the release of the proposed plan to the public. The concurrence page is attached.

Let's work to get this released by the end of next week.

Jason, I need the newspaper notice so that I can send it up to External Affairs.

Sharon, I will work to get the proposed plan and newspaper notice put in the draft AR. (I understand SEMs is down until Monday.)

Thanks everyone—next step—Public Meeting July 10, 2018.
